9. Abandoned						
10. Other reason for being unoccupied	• 10	6. The water supply comes <b>primarily</b> from:				
	FINALICE CUESTIONARIO	> Indicate the source that supplies the largest quantity of domestic water.				
> A dwelling is considered occupied when reciding is the pup line of the pu	en, at the time of the interview, the people					
period if they intend to remain in the	ast six months of the last year or for a shorter dwelling.	1. The public system       1         2. Well or waterwheel       2				
> If no residents are present in the dwel	lling, check with neighbors to see whether it	2. well or waterwheel				
is occupied.						

> If the dwelling is unoccupied, end the questionnaire.

# 

3. No system, water is transported...... 3

### 8. The main toilet in this dwelling is:

1. Inside the dwelling and connected to a sewage system
2. Outside the dwelling and connected to a sewage system
3. Connected to a septic tank
4. Connected to a sewage tank (sanitary latrine)
5. In a lavatory over a ditch or canal
,
6. In a lavatory connected to another system
7. A chemical toilet
8. Connected to dry toilet
9. The dwelling does not have a toilet

### 9. The electricity for this dwelling comes mainly from:

1. The public system	
2. A diesel or gasoline generator	
3. Solar panels	
4. Wind energy	
5. Another source	
6. The dwelling does not have electricity	6

# 10. What is the primary means of waste disposal for this dwelling? 1. Waste is removed by sanitation services 1. Waste is buried and/or burned 2. Waste is buried and/or burned 3. Waste is left in a vacant lot, ravine, or ditch 4. Waste is dumped in a river, lagoon, or the ocean 4 5. Other

# 11. How many people habitually reside in this dwelling?

> Habitual resident: a person who has lived in the dwelling for most of the last twelve months (at least six months and one day) or who, having lived there for less time, intends to continue living there.

 $\!\!\!>$  Do not forget to include infants, young children, the elderly, and people with disabilities, who habitually reside in the dwelling.

One	<u>.</u>	● → PASE A SECCIÓN C	If more than one, indicate the num			
11.1	Do all the people who habitually reside in this dwelling share expenses for food?					
> Everyone shares expenses when they benefit from the same food budget, regardless of whether they contribute money for food.						
1. Yes 01 → PASE A SECCIÓN C 2. No 0 2						
11.2	Including have sep	your group, how m arate food expenses	any groups ?			
Each group that has a separate food budget represents a household. The following questions will concern your household only.						
For the second questionnaire > Re-enter the data from A. ADDRESS INFORMATION from the first questionnaire. > Record the number of the household within the dwelling in sequential order. > Leave section B. INFORMATION ABOUT THE DWELLING blank						

> Begin the interview in section C. HOUSEHOLD INFORMATION.

# C. HOUSEHOLD INFORMATION

### 12. The dwelling that this household occupies is:

1. Self-owned outright	1
2. Self-owned but being paid for	2
3. Rented by contract	3
4. Rented without contract	4
5. Provided by work or service	5
6. Provided by a family member or other person	6
7. Usufruct: use and enjoyment only	7
8. De facto occupied	8
9. In probate or litigation	9

# 13. What is the main source of energy or fuel used for cooking?

1. Natural gas	1
2. Kerosene or oil	2
3. Firewood	3
4. Pellets	4
5. Coal or charcoal	5
6. Electricity	6
7. Solar energy (e.g., solar cooker or solar oven)	7
8. No source of energy or fuel is used for cooking	8

# 14. What is the main source of energy or fuel used for heating?

1. Natural gas	1
2. Kerosene or oil	2
3.Firewood	3
4. Pellets	4
5. Coal or charcoal	5
6. Electricity	6
7. Other	7
8. No source of energy or fuel is used for heating $\bigcirc$	8

# 15. Does this household have any of the following equipment or services?

### > Mark one answer for each device or service.

	Yes	No
Mobile telephone or smartphone	1	2
Computer (desktop, laptop)	1	2
Tablet	1	2
Home internet	1	2
Mobile internet connection by cell phone, tablet, or mobile broadband	1	2
Satellite internet	1	2

## D. HOUSEHOLD MEMBERS

16.
-----

> Begin with the head of household. For the remaining people, use the relationship to the head of household listed on the right side.

> Consider all people in the household, including young children, the elderly, and the bedridden.

> Include those who are temporarily away from the household, whether for study, work, business, illness, vacation, or other reasons.

🛕 If more than one household was recorded in question 11.2, a separate questionnaire should be used for each of the household.

Person	Full name	17.	Sex	- 18.	Age	Relationship with the head of	14	Relationship /ith the head of
No.	No. Fuil name		Female	10.	Age	household		household

# CONFIRMATION OF THE NUMBER OF PEOPLE IN THE HOUSEHOLD

Is there any person not mentioned, such as a newborn, child, elderly person, or disabled person?	Besides the people mentioned, is there any member of the household who habitually resides in this dwelling but who is absent because of vacation, business, illness, etc.?	Of the total number of people you just mentioned, how many are male and how many are female?		
1. Yes () 1 2. No () 2	1. Yes       1       2. No       2         >Find out how long, since       2	MALES FEMALES TOTAL		
> Record the names of these people in the list above.	the time of the interview, they have been absent. If the period of absence is less than 6 months, include them in the list.	> Confirm that the number of the last person listed in question 16 is equal to the total number listed in this question.		

# IF THERE ARE MORE THAN 5 PEOPLE IN THE HOUSEHOLD:

> Use a new questionnaire to record the remaining household members.

# > Fill in the **CONTINUATION** circle.

**> Re-enter the data for A. ADDRESS INFORMATION**, repeating the same information from the first questionnaire.

> Next, continue with census at section **E. PERSONAL INFORMATION** for each person listed in question 16.

# BEFORE PROCEEDING TO SECTION E. PERSONAL INFORMATION:

> On the first line of each page, enter the full name and person number of each habitual resident of the household.

- a. First, record the full name of the head of household (person no. 1).
- b. Then, on page 7, record the full name of person no. 2 and of each following person until all the information on household members is completed in the same order as the list in question 16.

E. PERSONAL INFORMATION	
Full name:	Person No.

HABITUAL RESIDENCE: the place where a person has lived for most of the last 12 months (i.e., at least six months and one day) or where they have lived for less time but **intend to continue residing there**.

# ✓ **DO NOT FORGET TO ENUMERATE THE** FOLLOWING PEOPLE IN THIS HOUSEHOLD:

- Children born before or on the same day of the census interview.
- People temporarily absent from the dwelling for a period of less than six months (due to vacation, work, visiting family or friends, medical treatment, religious pilgrimage, or for other reasons).
- People who migrated to the country with the intention of residing and who have been in the country for less than six months of the last year. These people must be registered regardless of their immigration status.
- Children aged under 18 with shared guardianship or shared care, provided that it is the home of their parents or guardians with whom they live most of the time.
- Absent workers who spend the night away from the dwelling of their household, but who return weekly or periodically to spend their time off, regardless of how long they have been absent over the previous year. Includes offshore workers who are civilians.
- Primary and secondary students who stay for study purposes in collective dwellings such as schools, boarding schools, or boarding houses must be enumerated in the dwelling of their parents and guardians where they are habitual residents.
- Higher education students must be enumerated in the dwelling in which they reside most of the time, even if they occasionally visit or stay at their parents' or other relatives' dwelling.
- People who do not have a fixed dwelling where they live or cannot determine where they spend most of their time should be enumerated in the dwelling where they are located.

# **X DO NOT ENUMERATE THE FOLLOWING** PERSONS IN THE DWELLING:

- **People who are visiting the dwelling**, who have been there for a period of less than six months of the last year and normally reside elsewhere in the country. They will be enumerated in those places.
- X Armed forces, law enforcement and public security personnel who live in quarters of their institution, such as barracks, schools, naval vessels, naval bases, air bases, or others. They will be enumerated in those quarters.
- People who habitually reside in hotels, hostels or guesthouses. They will be enumerated in those places.
- ➤ People residing in prisons, hospitals or shelters, who have lived there for more than six months of the last year, who expect to continue residing there, or who do not know how long they have been there. They will be enumerated in those places.
- **X** People who died before the time of the census interview should not be enumerated.
- X Tourists or foreigners who are visiting the country and have been in the country for a period of less than six months of the last year should not be enumerated.
- X Workers who are temporarily in the country, who have been in the country for less than six months of the last year, and who normally reside in another country, should not be enumerated.
- People who cross the border frequently to work in the country on a weekly or periodical bases and who usually reside in another country should not be enumerated.

**OBSERVACIONES SOBRE LA DIRECCIÓN:**
